Dear Customer:

Off-hours support for migrations and updates is available for a fee of \$600.00 on weekdays, \$800 on weekends. This fee provides direct access to a scheduled support technician for up to 4 hours during the migration/update. Additional time can be purchased in 4-hour increments for the same price, \$600 on weekdays and \$800 on weekends. These updates must be scheduled ahead of time and will be based on staff availability.

During the update, we ask that any required IT personnel with enough permissions, be on hand to make any necessary changes to your system. This is for your benefit and ours, as we try to minimize the disruption to your organization.
